With the growing airline activity to Taiwan CTS Tours also introduces some amazing tour opportunities to this part of the world also. Most first time travellers to China generally visit the golden triangle Beijing, Shanghai and Xian's ancient Terra-Cotta army. The 144 hour China visa clearance have offered many travellers the option of stopping on their way to Europe or on their return, while repeat visitors can choose from cruising the Yangtze, Panda cuddling in Chengdu, finding ones spiritual self in Tibet, trekking in Mongolia, taking in the breathtaking views of Southern China, travelling the ancient Silk Road or freshening up that tan during the New Zealand winter on the sun-soaked beaches of Hainan Island. There really is something for everyone.

What are your interests?

CTS Tours have been called upon to arrange special interest tours. From civic delegations to China, corporate engagements, school educational tours, sports and music groups to group tours for the seniors. You can count on us to suggest some tailored activities to fit around your teams main focus for going to China. A journey to Asia is more than 5,000 years of history woven magically through a vast and diverse landscape.

Let CTS Tours assist in delivering all your travel goals throughout Asia.

Welcome to CTS Tours

Yours sincerely
